Re: United States v. Christopher McPartland, et al., 17-cr-0587 (JMA)

Dear Judge Azrack:

In response to the Court's Order dated November 9, 2019, we advise the Court that we may refer to the following personal information in our opening statement as to Christopher McPartland: (1) his age; (2) marital status and children; (3) that during the late summer 2013 to early winter 2014 (overlapping with the dates of the Loeb suppression hearings), his wife had surgery for breast cancer and his father was hospitalized with lung cancer, both of which kept him out of the office for extended periods of time; and (4) his financial condition in or about February 2016 (as permitted by the Court's Order). All of the above statements will be supported by admissible evidence.

Respectfully submitted,

Larry Krantz
